

Leonardo DaVinci Veranda

The spectacular Leonardo DaVinci Veranda penthouse provides a unique indoor-outdoor bar / lounge experience. The fully furnished onyx bar, adjacent lounge and private veranda offer your guests over 2000 sq' of space to slip away to. As your guests enter the penthouse level they are greeted with ceiling-to-floor hand-painted murals depicting celebratory scenes of elegance, whimsy, romance and pleasure. The lobby leading to the penthouse features four custom-made "Traunch" style, hand-blown crystal chandeliers with matching wall sconces. Each can be designed to deliver kinetically controlled lighting to complement any style or ambience you create.
