

The Tiffany & Crystal Room

As your guests gaze across every corner of The Tiffany & Crystal room they'll see beautiful gardens, romantic scenery, and exquisite palaces everywhere. Each mural in this masterpiece of Georgian interior design is hand painted. The ingenuity of gently placing four crystal chandeliers in spherical, color filled beds of lighting creates a classic and elegant effect so spectacular your guests will be mesmerized. The Tiffany room represents an exquisite example of how Georgian design balances the immensity of scale to the wonderment of your individual guests. The effect is nothing less than stunning..
